

## Ways to Help The CHEMO Bag

As a non-profit organization, The CHEMO Bag relies heavily on community donations of cash or products to be able to fill our comfort bags and deliver them to cancer recipients in the Lehigh Valley and surrounding areas. We deliver about 250 - 300 bags a month to 20 infusion centers every month. If you are able to help her are some of the ways:

1. Hold a neighborhood or workplace drive. Set a date and a goal. Get flyers out to as many people as possible. Make up flyers asking for donations of any of the items listed below. Cash donations are welcome. When your collecting period is over, contact *The CHEMO Bag*, so one of our volunteers can meet you and take some pictures to be featured in our quarterly newsletter. We will take all the wonderful items collected and they will be used to fill our bags.
2. If you own a business or know someone who owns a business, see if they have a matching gift benefit. If the business agrees, any of their employees who donate, the business will match the donation.
